Branding
Typography
Collateral Design
Page Layout
Pre-press & Print Production
Flash Multimedia
Photography

Work Experience

Minuteman Press, Bend, OR

Graphic Designer

January 2008 - June 2008

Responsible for all designs including designing layouts, branding, typesetting, and converting/setting up files for print. Other shop responsibilities involve levels of press production, customer service, and instructing pre press & press tutorials during the transition of new ownership at the business.

Minuteman Press, Bend, OR

Jr. Graphic Designer

November 2005 - January 2008

While working under the Sr. designer I was responsible for designing layouts, typesetting, and converting/setting up files for print. Other shop responsibilities involved levels of press production and customer service.

Studio 208, OSU, Corvallis, OR

Winter - Spring 2004

Was part of a studio of selected students to work with clients on and off campus. Worked in different teams to create a series of different posters along with a non-profit organization identity.

Graphic design Internship, OSU, Corvallis, OR

June - August 2003

Created a staff orientation training interactive flash piece with a manual for Dixon Recreational Center.

Hewlett Packard Company, Corvallis, OR

Graphic Artist

June - September 2000

Created a promotional graphics packet to enhance the customer's experience on InkJet printer platforms.
